STUDENT VOICE REGIONAL NETWORK EVENT

TUESDAY 20 FEBRUARY 2024
10:00 - 16:00
NORTHUMBRIA UNIVERSITY - STUDENT CENTRAL BUILDING

HELLO

Thank you for your interest and participation in this event. The aim of this is to launch a regional HEI network focussed on elevating the student voice of those from underrepresented groups. In doing so we will:

- Share best practice with establishing and maintaining student voice initiatives
- Highlight the impact of embedding student voice in all areas of practice
- Identify barriers and benefits to engaging students
- Encourage networking between HEIs

You will hear from colleagues at Durham University, Newcastle College University Centre, Newcastle University and Northumbria University in addition to Students' Unions. We will also be joined by colleagues from Sunderland University. Throughout the day there will be the opportunity to share ideas about how to take this network forward so please come prepared to discuss.

NB - please avoid bringing nuts of any kind to this event owing to a delegate's allergy
